

Certificate of Compliance

Date: _____ Project: _____
General Contractor: _____ City, State: _____
Masonry Contractor: _____ Architect: _____

This letter certifies the following product will be provided for the above named project.

CavClear® Insulation System - Board insulation factory bonded to CavClear® Masonry or Stone Mat, a fluid-conducting nonabsorbent, mold and mildew resistant polymer mesh consisting of 100% recycled fibers with binder, manufactured by CavClear/Archovations, Inc., 888.436.2620. CavClear® Insulation System maintains an airspace behind brick and stone when installed substantially continuous (full-height) behind all masonry by preventing mortar from making contact with the backup.

It is understood that the above described material is subject to such modification of dimensions and assembly details as may be necessary for proper coordination with other installations and structural elements.

Mat and type thickness(es) to be provided: [] 1/2" CavClear® Masonry Mat [] 3/4" CavClear® Masonry Mat [] 1" CavClear® Masonry Mat [] 1 1/4" CavClear® Masonry Mat [] 1 3/4" CavClear® Masonry Mat [] 3/8" CavClear® Stone Mat [] 1" CavClear® Stone Mat
Insulation thickness(es) to be provided: [] 1.5" [] 2" [] 2.5" [] Other: _____
Insulation type to be provided: [] Type IV (Extruded) [] Type X (Extruded) [] Polyiso* Type _____ Class _____
Mfr, Brand and Size of Insulation*: _____
Dimension: [] 16" x 96" [] 48" x 96"

*This form has been completed by Archovations as a customer service to the submitting company. It is the responsibility of the submitting company to complete any missing information in the section "Insulation Type" and to verify availability of the Brand, Product and Size of the insulation with the insulation manufacturer.
